

# TWO COLOR BINDING

(Binding with a Flange)

**When using a 2 ½" binding, use these measurements:**

For a ¼" flange: Binding = 1 3/8"

Accent (flange) = 1 5/8"

For a 1/8" flange: Binding = 1 ½"

Accent (flange) = 1 5/8"

**When using a 2 ¼" binding, use these measurements:**

Binding = 1 ¼"

Accent (flange) = 1 3/8"

**When using 2" binding, use these measurements:**

Binding = 1 1/8"

Accent (flange) = 1 ¼"

**Tips to remember:**

- The Accent piece is always the larger of the two measurements.
- Join binding pieces at an angle, and join the accent (flange) pieces at an angle, press open.
- Sew the binding strips together with the accent strips, stagger the joining seams.
- Press toward the binding
- Press in half
